DELIVERED LUMENS: 962lm

SERVICE MAINTENANCE: L70 50,000 HRS

Minimalism accomplished with a service of functionality. Tuba II is a high performance trackspot that has been designed with a deep set lamp position for visual comfort and glare control.

Tuba II is designed with a passive cooling system ensuring a long service life of L70 50,000HRS, stable colour temperature, which is tolerant to 3SDCM and high colour rendition CRI>95. The Tuba II is equipped with an integral phase dimmable driver and a Global Track adaptor pre-determined for three circuit track.
